Section B: Terms and Conditions

1. Opening of Bids: The E-bids shall be opened online by authorised officials of the Purchaser as per schedule given in the Date Sheet. In case, the day of bid opening is declared a holiday by the government, the E-bids will be opened on the next working day at the same time. No separate intimation shall be sent to the bidders in this regard. Since, E-bid is an online process; the E-bid opening or any other process may be delayed due to any technical/server issue. If any such issue arises, this will not be tantamount to process delay and CSIR-CBRI will not be responsible for the same. On opening of bids online, accepting the bid will not mean that the firm is technically or financially qualified. Price Bid of bidders will be opened only if Technical Bid is found compliant in all respects.

2. Bid Security / Earnest Money Deposit (EMD): Manufacturers/Agents must submit a Bid Security. Bids without EMD will not be valid or considered. However, firms registered permanently with NSIC, Govt. Public undertakings, Central Autonomous Bodies, who are exempted from payment of EMD, will be allowed exemption subject to production of documentary evidence to this effect. Such registration includes the item they are offering which are manufactured by them and not for selling products manufactured by other companies. The bid security shall be in Indian Rupees for offers received for supply within India and denominated in the currency of the bid or in any freely convertible foreign exchange in the case of offers received for supplies from foreign countries in equivalent Indian Rupees. The bid security shall be in one of the following forms at the bidders' option: a) A bank guarantee issued by a Nationalized/ Scheduled Indian Bank/Foreign Bank operating in India in the format provided in the bidding documents and valid for 45 days beyond the validity of the bid. In case a bidder desires to submit a BG issued from a foreign bank, then the same should be confirmed and routed through Nationalised / Scheduled Indian Bank. b) Fixed Deposit receipt pledged in favour of the Laboratory / Institute. c) A Banker's Cheque or demand draft in favour of the CBRI, ROORKEE issued by any Nationalised /Scheduled Indian Bank.

3. The Bid Security furnished by all unsuccessful bidders shall be returned to them without any interest whatsoever, at the earliest but not later than 30 days after conclusion of the contract. The Bid Security of the successful bidder shall be returned without any interest whatsoever, after receipt of performance security as per the contract/purchase order.

4. In case a firm is unable to submit the EMD before the due date and time and the firm provides an undertaking that they will provide the EMD within the next 48 hours of due date of opening then CSIR-CBRI can provisionally accept the bid subject to the condition that the EMD should be submitted within the next 48 hrs to the SPO, CSIR-CBRI who will accept the

same on the basis of an approval by the Director, CSIR-CBRI, ROORKEE. It is also to be seen that it should not become the rule for some firms to submit their EMD's late or else the Director, CSIR-CBRI can take a decision not to accept such requests if it has become a repetitive case.

5. The Bid Security may be forfeited if the bidder withdraws or modifies or amends its tender or impairs or derogates from its bid during the bid validity period or fails to sign the contract or fails to furnish order acceptance or performance Security in time.

6. In a tender, either the Authorised Indian Agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product in the same tender. If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/ product.

7. Equipment manufacturers within India have to quote directly. Agents of Indian Equipment manufacturers who doesn't have a track record of supply of similar items i.e., installation and commissioning not done directly will not be entertained. In such cases bids submitted by Agents of Indian Equipment manufacturers would be rejected on the grounds of subletting or subcontracting. Such offers from so called agents of indigenous manufacturers will summarily be technically rejected for not following laid down Terms & Conditions of tender document and for not having any installations done by them directly.

8. Bids shall remain valid for minimum 90/180 days or as indicated in etenders bidders information form, after the date of bid opening prescribed by CBRI. A bid valid for a shorter period shall be rejected by the CBRI as non- responsive.

9. Bidders are not permitted to withdraw/alter or modify their bids after expiry of the deadline for receipt of bids. No request from bidder for extension of date of receipt of tender and opening shall normally be entertained.

10. Language of the Bids: The Language of the documentation & details in the Bids must be in **ENGLISH**.

11. The Purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt fraudulent, collusive or coercive practices in competing for the Contract in question.

12. The Institute reserves the right to seek past purchase order copies from the Bidder/ User organizations. The past purchase order copies obtained from the bidder / user organizations will be kept entirely confidential & this will only be for facilitating the purchase process.

13. The institute also may seek performance certificates from equipment manufacturers/the user organizations so as to confirm satisfactory functioning, installation & commissioning of the equipment.

14. In case of two-bid system adopted then the exchange rate as prevailing on the date of opening financial bid should be the basis for preparing the comparative statement.

15. Two Bid System : Under Two-Bid system, the techno-commercial un-priced bid (technical bid) will be opened first and will be evaluated by the Technical Sub-committee (TSC) of the Technical & Purchase Committee (T&PC) with respect to the qualification criteria and the technical specifications as spelt out in the tender. The committee doing the evaluation will also draw a Technical Comparative Chart. The techno commercial bid shall include - Detailed Specifications, International Standards (BIS / INTERNATIONAL), Catalogues, List of users & Technical Details, Technical Compliance Sheet, Operating Parameters, Pre-Installation Requirements, payment terms, warranty etc. The tender meeting the qualification criteria and technical specifications will be short listed for financial evaluation. Then, the Price Bid of the short listed parties will be opened and evaluated for lowest responsive offer. Cost break up indicating the applicable prices for each component of the equipment like price of the goods, costs for installation and commissioning, training should be mentioned in the Price Bid.

16. Essential and Optional Spares: All essential spares should be listed in the technical specification in sequential form. Firm who do not quote for one / any of the essential spare as listed will not be considered for Price-Bid opening. If the bidder has quoted certain optional items, these items should not be taken into consideration for the evaluation of the bid unless the specifications of the optional item quoted by the vendor are part of original indented specification (i.e., Main Equipment + Essential spares).

17. Any correction in the price quoted in the tender in words and/or figures shall be encircled in red ink by the representative of finance and signed. The officials of stores & purchase shall endorse this.

18. The bidder shall provide an item-by-item commentary vis-à-vis CBRI's Technical Specifications demonstrating substantial responsiveness of the goods and services to these specifications or a statement of deviation and exceptions to the provision of the technical specifications. The information may be provided in the respective standard format of the bidding document.

19. All Manufacturers / Agents must submit Compliance Statement, Performance Statement, and Deviation Statement along with the technical bid as per our Standard Forms.

20. Evaluation and comparison of bids: The Purchaser shall evaluate each bid that has been determined, up to this stage of the evaluation, to be substantially responsive. To evaluate a Bid, the Purchaser shall only use all the factors, methodologies and criteria defined below. No other criteria or methodology will be used. The bids shall be evaluated on the basis of Final landing cost which shall be arrived as under: (a) For Goods manufactured within India i) The price of the goods quoted Ex-works. ii) GST which will be payable on the goods if the contract is awarded. iii) The charges for inland transportation, insurance and other local services required for delivering the goods at the desired destination as specified in the price

schedule form. iv) The installation, commissioning and training charges including any incidental services, if any as given in Scope of Supply (b) For Goods manufactured abroad
i) The price of the goods, quoted on FCA (named Airport abroad) or FOB (named port of shipment), as specified in the price schedule form. ii) The charges for insurance and transportation of the goods to the port /place of destination i.e. CIP/CIF Price. iii) The agency commission charges payable to Indian agent in Indian rupees, if any. iv) The installation, commissioning and training charges including any incidental services, if any.

21. The comparison between the indigenous and the foreign offers shall be made on FOR destination basis and CIF / CIP basis respectively. However, the CIF / CIP prices quoted by any foreign bidder shall be loaded further as under:- (a) Towards customs duty and other statutory levies—as per applicable rates. (b) Towards custom clearance, inland transportation etc.- 2% of the CIF / CIP value.

22. Orders for Imported Goods need not necessarily be on FOB / FCA basis rather it can be on the basis of any of the Incoterms latest edition as may be amended from time to time by the ICC or any other designated authority and favorable to CSIR -CBRI.

23. Wherever the price quoted on FOB / FCA and CIF / CIP basis are the same, the Contract would be made on CIF / CIP basis only.

24. The terms FOB, FCA, CIF, CIP etc shall be governed by the rules prescribed in the current edition of the Inco terms published by the International Commerce, Paris.

25. Where there is no mention of packing, forwarding, freight, insurance charges taxes etc. such offer shall not be considered as a responsive bid and the acceptance of such bid will vest entirely with the Director, CSIR-CBRI.

26. Bidder quoting lowest total price among the technically successful bidders will qualify for the award of contract, Subject to the following Order of Government of India in respect of Preference to Make in India: Preference to Make in India Pursuant to Government of India, Ministry of Commerce and Industry, Department of Industrial Policy and Promotion Order No. P-45021/2/2017-B.E.-II Dated 15th June, 2017 with subject Public Procurement (Preference to Make in India), Order 2017 –

(a) (i.) Among all qualified bids, the lowest bid will be termed as L1. If L1 is from a local supplier, the contract will be awarded to L1.

(ii.) If L1 is not from a local supplier, the lowest bidder among the local suppliers, will be invited to match the L1 Price subject to local supplier's quoted price falling within margin of purchase preference, and the contract shall be awarded to such local supplier subject to matching the L1 price.

(iii.) In case such lowest eligible local supplier fails to match the L1 price, the local supplier with the next higher bid within the margin of purchase preference shall be invited to match the L1 price and so on and contract shall be awarded accordingly. In case none of the local

suppliers within the margin of purchase preference matches the L1 price, then the contract will be awarded to the L1 bidder. (Para 3c of the order dated 15th June 2017 above)

(b) The minimum local content shall ordinarily be 50%. (Para 5 of the order dated 15th June 2017 above)

(c) The margin of Purchase Preference shall be 20%. (Para 6 of the order dated 15th June 2017 above)

(d) In case of procurement for a value in excess of Rs. 10 Crores, the local supplier shall be required to provide a certificate from the statutory auditor or cost auditor of the company (in the case of companies) or from a practicing cost accountant and practicing chartered accountant (in respect of suppliers other than companies) giving the percentage of local content. (Para 9b of the order dated 15th June 2017 above)

(e) False declarations will be in breach of code of integrity under Rule 175(1)(i)

(h) of the General Financial Rules 2017 for which the bidder or its successors can be debarred for upto two years as per Rule 151 (iii) of the General Financial Rules 2017 along with such further actions as may be permissible under law. (Para 9f of the order dated 15th June 2017 above)

27. Non-conformities between the figures and words of the quoted price: Any discrepancy between quoted prices in figures and that in words, if noted, will be sorted out in the following manner.

o If there is a discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless in the opinion of the Purchase Committee / Technical & Purchase Committee there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price corrected accordingly.

o If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.

o If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to above.

o If there is such discrepancy in a bid, the same is to be conveyed to the bidder with target date on the above lines and if the bidder does not agree to the observation of the Purchaser the tender is liable to be ignored.

28. The price quoted shall remain fixed during the contract period and shall not vary on any account. All lots and items must be listed and priced separately in the Commercial Bid. If a Price Schedule shows items listed but not priced, their prices shall be assumed to be

included in the prices of other items. Lots or items not listed in the Price Schedule shall be assumed to be not included in the bid.

29. Delivery Period: a) In case of **foreign suppliers** firm delivery period (in weeks) after opening irrevocable Letter of Credit (**LC**) must be given in Techno-commercial Bid. No part shipment is permitted. Transshipment is permitted in case of International flights only. b) In case of **Indigenous suppliers** the firm delivery period (in weeks) after issue of Purchase Order must be given in the Technical Bid. Delivery is to be made at CBRI Stores, ROORKEE. Delivery must be on FREIGHT PAID BASIS for despatch by Road.

30. Payment for Indigenous supplier: 100% payment after acceptance, satisfactory installation & commissioning or specifically indicated in the NIT and subject to "IF APPLICABLE" submission of Performance Bank Guarantee (PBG) for 10% of the purchase order value covering the period of warranty + 60 days. All the bidders are required to furnish requisite information for making payment by e-mode.

31. Payment for Foreign Suppliers: 90% payment by Irrevocable Foreign Letter of Credit subject to submission of Performance Bank Guarantee (PBG) by the vendor for 10% of the purchase order value covering the period of warranty + 60 days within 21 days of placement of purchase order and before opening Irrevocable Letter of Credit (**LC**). 10% payment would be released after satisfactory installation & commissioning. Agency Commission, if any, will be paid in India Rupees to the Indian Agent. Or specifically indicated in the NIT.

32. No outright advance payments will be made to the firms. Any advance will be against a bank guarantee of equivalent value.

33. Taxes, Duties and Levies:

(a) For goods manufactured outside India, the Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside India. For goods Manufactured within India, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred till its final manufacture / production. If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in India, the Purchaser shall make its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent. All payments due under the contract shall be paid after deduction of statutory levies (at source) (like ESIC, IT, etc.) wherever applicable.

(b) **Customs & Excise Duty & GST Exemption:** This Institute is registered with Department of Scientific and Industrial Research, Government of India, and thus eligible for availing Customs Duty Exemption in terms of Notification No. No.51/96-Customs dated 23/07/1996, Notification No. 47/2017 – Integrated Tax (Rate) dated 14/11/2017 and Notification No. 45/2017-Central Tax (Rate) dated 14/11/2017, Notification No. 45/2017-Union Territory Tax (Rate) dated 14/11/2017, as amended from time to time.

34. Negotiations: There should not be any negotiations. Negotiations if at all shall be an exception and only in the case of proprietary items or in the case of items with limited source of supply. Negotiations if at all required shall be held with the lowest (L-1) evaluated responsive bidder with the cogent reasons to be recorded.

35. The following are some of the points, for which a tender may be declared as unresponsive: i) The Bid is unsigned. ii) The Bidder has quoted for goods manufactured by different firm without the required authority letter from the proposed manufacturer. Page 7 of 26 iii) Bidder has not agreed to give the required performance security. iv) The goods quoted are sub-standard, not meeting the required specifications. v) Against the schedule of Requirement (incorporated in the tender enquiry), the tenderer has not quoted for the entire requirement as specified in that schedule. vi) The tenderer has not agreed to some essential condition(s) incorporated in the tender enquiry.

36. Orders for equipments shall be dispatched to the vendor in two copies with an instruction that the vendors has to return one copy duly signed as a token of the acceptance of the order or the vendor may be asked to submit the order acceptance promptly within 21 days or earlier.

37. The order confirmation should be received within 21 days failing which the contract shall be cancelled. However the sanctioning authority has the powers to extend the time frame for submission of order confirmation and submission of Performance Security (PS) on the basis of valid reasons for delay.

38. Even after extension of time, if the order confirmation / performance security are not received, then the purchase order should be cancelled and limited tender irrespective of the value may be invited from responding firms in line after forfeiting the bid security of the defaulting firm, where applicable provided there is no change in specifications. In such case defaulting firm should be considered again for tendering in the particular case. However, if the contract is signed across the table, then order acceptance is not required.

39. A formal contract should be executed, with all necessary clauses which can be altered suitably wherever felt necessary by the Laboratory/Institute to make it a self contained contract. A simple one page contract can also be entered into by attaching copies of the General Conditions of Contract (GCC) & Special Conditions of Contract (SCC) and details of scope and specifications. The decision making committee at CBRI may decide to place order without mentioning specifically the General Conditions of Contract (GCC) & Special Conditions of Contract (SCC) and may follow its own format which is more comprehensive.

40. In all cases where a contract is to be signed on a stamp paper, a letter of Intent (LOI) may be issued to the firm in advance of the contract. The LOI should specifically mention, inter-alia, the deadline for signing of the contract which should not normally be more than two weeks from the date of issuance of LOI. The decision making committee at CBRI may decide not to furnish Letter of Intent but to directly place the purchase order.

41. All Vendors / Agents must submit full details and requirements for Installation & Commissioning of the Equipment as per Technical Specifications submitted by them. (i) Water Supply (Filtered, Flow rate). (ii) Civil Works including Foundation, Flooring. (iii)

Mechanical and Fabrication work required. (iv) Ambient Temperature Control (if required, as applicable). (v) Cooling requirement (if any). (vi) Electrical and Power requirements. (vi) Space and Dimensions for Installation of the equipment as per the Quotation of the Vendor. (vii) Requirements of Special Gases, if any.

42. All participating vendors are requested to provide the approximate period required for the equipment to become operational from the date of the arrival.

43. Installation & Commissioning: Installation & Commissioning will be the sole responsibility of the Supplier / Indian Agent. Installation & Commissioning with all infrastructural works have to be done by the supplier. The vendor and Indian Agent will complete the installation & commissioning within two months from the date of supply of equipment to CSIR-CBRI. CSIR-CBRI will provide the electrical connections and water supply to the equipment. All the necessary connectors will have to be provided by the vendor.

44. Training: The supplier should provide onsite training at CSIR - Central Building Research Institute, ROORKEE after installations and commissioning of the said equipment at CSIR-CBRI free of cost. This training shall be to the satisfaction of CSIR-CBRI Scientists.

45. Warranty: The Supplier must warrant that the goods supplied under the Contract are new, unused and the most recent or current and incorporate all recent improvements in design, materials as per specifications of Tender Document. All bidders (Manufacturers/Agents) must quote comprehensive warranty for the period as specified in the technical specifications, which will begin after successful installation & commissioning in all respects at Site, i.e., (CSIR-Central Building Research Institute, ROORKEE, India which would be considered for the tender evaluation purpose). The successful installation & commissioning date along with the date to be reckoned for start of the warranty period needs to be certified by the vendor & the user scientist. The warranty offered should be unconditional and the seller should agree to replace or repair the equipment at his cost. The spare parts for the warranty repair have to be provided by the vendor.

46. Annual Maintenance Contract (AMC): The Annual Maintenance charge would only be an estimate and would not be the basis of evaluation and selection of the technically suitable lowest quoting firm. The AMC Charges would only enable CSIR-CBRI to take a decision at a future date whether it wants to enter into an AMC for the particular equipment at the price quoted by the bidding firms. AMC charges for 3 Years (Comprehensive and Non-Comprehensive) after the expiry of warranty period to be separately mentioned.

47. In case a foreign bidder who does not have an agent in India quotes then the foreign principal shall have to furnish a certificate to the effect that the bidder is or will be represented by an agent in India equipped and able to carry out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period or ensure a mechanism

at place for carrying out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period. In case the foreign suppliers themselves would provide service during warranty then their service visit plan for mandatory visits and for breakdown visits may be provided.

48. In order to assess the financial solvency of a firm Director, CSIR-CBRI may seek a report from the bankers of the technically evaluated lowest quoting firm in order to assess if the firm is financially capable of executing the purchase order/work successfully.

49. Extension of Time: Delivery of the Goods and performance of the Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser. If at any time during performance of the Contract the supplier should encounter conditions impeding timely delivery of the Goods and performance of Services, the supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the Supplier's time for performance with or without penalty, in which case the extension shall be ratified by the parties by amendment of the Contract. Except as provided under the Force Majeure clause, a delay by the Supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalty pursuant to Penalty Clause unless an extension of time is agreed upon pursuant to above clause without the application of penalty clause.

50. Penalty Clauses: (a) Penalty (Liquidated Damages) @ 0.5% of basic price per week will be deducted from Manufacturer's/ Indian Agent's Bill for delay in Delivery, Despatch and installation beyond Delivery/installations dates (as extended by CBRI in Purchase Order and Letter of Credit Schedule). Maximum deduction for failing to deliver within CBRI,s approved delivery period & extensions will be limited to 5% of Ex-works Value (equivalent in Indian Rupees) for non-fulfilment of delivery deadlines and any other contractual obligations as per Purchase Order. Once the maximum is reached, CBRI may consider termination of the Contract. (b) Delay in Installation & Commissioning beyond contractual deadline will result in forfeiture of Performance Bank Guarantee.

51. INSPECTION / TEST AND REJECTION: The Director, CSIR-Central Building Research Institute, ROORKEE reserves the right to depute officials from CSIR-CBRI for pre-despatch inspection, if required, at the Works of Supplier. The Supplier shall inform the Purchaser about the readiness of the goods before its despatch for arranging pre-despatch inspection. Once the goods are delivered at our end, all inspections & tests will be carried out by end user at CSIR-CBRI and in case of rejection the supplier will arrange to take back the rejected goods at their own cost & risk within 15 days of intimation of rejection.

52. Assignment: The supplier shall not assign in whole or in part their obligation to perform under the contract, except with the Purchasers prior written consent. Purchase of

equipment shall be made directly from manufacturers or their authorised agents in India. The authorized agents should not sublet the contract to subagents.

53. Patent Rights & IPR Laws: The supplier shall indemnify the purchaser against all third party claims of infringement of Patent, Trademark or Industrial Design Rights arising from the use of Goods or any part thereof in the Purchaser's country. The vendor should be sure about his claim on the ownership of technology and total compensation in the event of a claim should be paid to the buyer in case of patent infringement.

54. Right to information Act 2005: The tenderer may indicate if any information in his tender includes information of commercial confidence, trade secrets or intellectual property, the disclosure of which would harm the competitive position of your company.

55. Applicable Laws: The contract shall be interpreted in accordance with Laws applicable in India and any dispute would be resolved by the court in ROORKEE, Uttrakhand India.

56. Adoption of Integrity Pact in major Government Procurement Activities: As per directives of CVC all organisations including CSIR labs/institutes have to adopt an integrity pact (IP) with the equipments manufactures where ordered equipment value exceeds Rs.3 (Three) crores to ensure transparency, equity and competitiveness in major Public procurement activities. The integrity pact envisages an agreement between the prospective bidders/vendors with the buyer committing the persons/officials of both the parties with the aim not to exercise any corrupt influence on any aspect of the contract.

57. Termination: CSIR-CBRI may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part. a) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the contract, or within any extension thereof granted by the CBRI. b) If the Supplier fails to perform any other obligation(s) under the Contract.

58. Debarring the firms from business: The process of debarring the firm would be initiated in the below mentioned cases subject to the recommendation of the decision making committee and Director, CSIR-CBRI. The conditions for debarring the firm are: i) Not supplying the materials as per the technical specifications of CSIR-CBRI as mentioned in the Purchase Order. ii) Not fulfilling the contractual obligations as per the terms & conditions of the Purchase Order. iii) Not able to provide the required spares for the time period 15 (fifteen) years / period as specified in the vendors quotation "or" in the tender enquiry "or" Purchase Order of the buyer. iv) Repeated failures during installation, commissioning & trial run. v) Inadequate service back-up in terms of spares & manpower being repeatedly observed in a number of occasions and recorded by CSIR-CBRI during warranty and even afterwards (during the life cycle of the equipment). vi) In case it is proved that the Purchase Order of CSIR-CBRI has been sub-letted to some other vendor.

59. Arbitration: All disputes will be referred to Director General, Council of Scientific & Industrial Research (CSIR), New Delhi for arbitration. The decision of Director General, CSIR will be final and binding on both supplier and customer (CBRI).

a) CBRI and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

b) If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then CBRI or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given.

c) In case of Dispute or difference arising between CBRI and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings, The dispute shall be referred to the Director General, Council of Scientific & Industrial Research and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to this order.

d) The venue of the arbitration shall be the place from where the purchase order or contract is issued.

e) Provision for settlement of disputes through arbitration indicating clearly that the resultant contract will be interpreted under Indian Laws in case of Purchase from Indian suppliers and / or United Nations Commission on International Trade Laws (UNCITRAL) in the case of foreign suppliers.

60. Force Majeure:- (a) In case of an event or situation beyond the control of the supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the supplier. Such events like wars, revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes may be considered as not foreseeable and unavoidable by the supplier and thus the vendor in case of a loss the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof within 21 days of its occurrence. The purchaser in such cases would accept the postponement in delivery period but the damage to goods due to such natural calamity needs to be replaced free of cost by the seller. Unless otherwise directed by the purchaser in writing the supplier shall continue to perform its obligation under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

(b) If the performance in whole or in part or any obligations under the contract is prevented or delayed by any reason of force majeure for a period exceeding 60 days, the purchaser may at its option terminate the contract without any financial repercussions on either side. In case the payment has been transacted by the purchaser in favour of the seller then the seller is bound to remit the payment in whole before closure of the Contract.

61. Notwithstanding the above, Director, CSIR-Central Building Research Institute, ROORKEE, India, reserves the right to “accept / reject” any or all tenders either in part or in full or to split the order without assigning any reason there for.

Technical Specifications of Item/Service

Annexure 1

Technical Specification of Ultrasonic Tomograph for Concrete Inspection

Supply installation and commissioning of low frequency ultrasonic tomograph for non-destructive inspection of concrete, reinforced concrete and stone masonry as per detailed specifications given below:

Low-Frequency Ultrasonic Tomograph represents a hand-held lightweight low-frequency ultrasonic device of general purpose. This can be used on rough surfaces, without applying contact liquid. Every transducer has an independent spring suspension which allows conducting inspection on the rough surfaces. The tomograph is designed to test the concrete, reinforced concrete and stone with one-sided access to estimate integrity of material, locate inclusions, cavities, voids, delamination's, not grouted areas and cracks and measure thickness of the object.

Specifications:

Scanning device type	Built in matrix antenna array type
Number of transducers (range) in the antenna array	Minimum 48 Nos
Transducer type in the antenna array	It should be low frequency transverse (shear) wave transducer. Dry point contact with ceramic wear tips are preferred
Transducer operating frequency range	25 kHz to 85 kHz
Nominal frequency of transducers	50 kHz
Inspection depth in concrete	Minimum 1000 mm

Type of material to be scanned and its applications	Concrete, reinforced concrete, marble, granite, plastic, prestressing tendons Detection of cavities, voids, delaminations, cracks (concrete, reinforced concrete and stone).
Image reconstruction	2-D images to create a 3-D model of the test object. The user can manipulate the 3-D model by rotating it or looking at different orthogonal planes. Should able to construct A-scan, B-scan and C-scan images.
Reconstruction	The transit time measurement shall be analyzed using the synthetic aperture focusing technique (SAFT) to reconstruct, in real time, a 2-D image of the cross section.
Power	Built in rechargeable battery, with backup time not less than 4 hrs. (as per Indian Conditions)
Operating temperature range	-10 to 50 deg °C
Data communication with computer/laptop/PDA	USB/any other wireless
Cables	Complete set of necessary cables to be supplied along with the equipment (if required)

Software capabilities	<p>Should display graphically: voids, cavities, cracks, etc., calculate the depth of concrete member and cover thickness in engineering unit. The collected data set can be transferred to the external PC/laptop/PDA for processing.</p> <p>Software shall have the capability to represent collected data from the instrument as tomograms and as well as 3D images.</p>
Raw Data export	Data extraction from the device should be provided for further processing in Matlab.
PC/Laptop/PDA requirements	<p>Laptop or PDA compatible with the software and hardware of the equipment.</p> <p>For Laptop: Minimum RAM: 8 GB, Minimum HDD storage = 1TB</p> <p>For PDA: Minimum RAM: 4 GB, Minimum HDD storage = 512 GB</p>
Other features	<p>Suitable lifting handles to be provided for handling. Hard carry case to be provided.</p> <p>The system should be able to work with standard Indian electrical supply (230 V AC, 50 - 60 Hz mains).</p>
Warranty	The supplier shall provide warranty for a minimum of Three year after installation and commissioning of the equipment.
Optional	<ol style="list-style-type: none"> 1. Tool kit for checking the functioning of dry point connector (DPC) element 2. Additional DPC elements, 10 Nos.
