Institutional Visit
Engineering Students from
United College of Engineering & Research, Prayagraj (U.P.)
April 18, 2023

A one-day exposure visit was organized for the 60 Engineering students (B. Tech. & Diploma) along with their faculty members of *United College of Engineering & Research, Prayagraj (U.P.)* as a part of their degree course to understand the institute expertise through various ongoing projects and developed technologies with respect to building construction sector.

Initially, a brief presentation of the R&D activities and facilities of the institute has been presented by *Mr. Nadeem Ahmed*, Sr. Pr. Scientist. Subsequently, the visitors have been taken to various R&D laboratories (*Geotechnical Engineering Lab & Geo-hazards Lab (GEGH)*, *Structural Engineering Lab (SE)*, *Advance Concrete, Steel and Composites Lab (ACSC)* & *Fire Safety Engineering Lab (FSE)*) of the institute wherein the concerned scientist/technical staff have explained the R&D facilities available with each groups of the institute. And also, they have visited the Rural Technology Park & Construction Technology Demonstration Park of CSIR-CBRI and witnessed the technologies showcased on building construction.
