Institutional Visit
Engineering Students from
National Institute of Technology, Raipur
May 10, 2023

A one-day exposure visit was organized for the 08 Engineering students (B. Tech.) of **NIT, Raipur** along with their faculty member as a part of their degree course to understand the institute expertise through various ongoing projects and developed technologies with respect to building construction sector.

Initially, a brief introduction of the R&D activities and facilities of the institute has been presented by **Dr. R. Dharmaraju**, Chief Scientist. Subsequently, the visitors have been taken to various R&D laboratories [*Geotechnical Engineering Lab & Geo-hazards Lab (GEGH), Structural Engineering Lab (SE), Advance Concrete, Steel and Composites Lab (ACSC) & Fire Safety Engineering Lab (FSE)*] of the institute; where the concerned scientist/technical staff have demonstrated the R&D facilities available with each groups. Visitors have also been taken up to the Rural Technology Park & Construction Technology Demonstration Park of CSIR-CBRI and witnessed the technologies showcased on building construction.
