### Training Programme on

## ‘Orientation of CSIR-CBRI Activities, Policies and Guidelines’

October 12-14, 2022

Three days training programme on ‘*Orientation of CSIR-CBRI Activities, Policies and Guidelines*’ was organized for the newly recruited scientists of CSIR-CBRI during October 12-14, 2022 under the aegis of CSIR Integrated Skill Initiative. This training programme was aimed at providing technical inputs on CBRI R&D activities, Policies and Guidelines of the institute by the scientists/administrative heads of the institute. This skill development training programme was attended by 19 newly recruited scientists of CSIR-CBRI.

This training programme was inaugurated by **Dr. Ashok Kumar**, Outstanding Scientist, CSIR-CBRI. In his inaugural address, he wholeheartedly welcomed the newly joined scientists to CBRI family and informed them about the ongoing R&D and projects, working procedure of the institute etc. Later, **Dr. R. Dharmaraju**, Chief Scientist & Skill Nodal briefed about the activities of the three days training and highlighted the importance of such training for their induction in the institute.

During the technical sessions, participants were able to understand about the latest knowledge on R&D activities, Ongoing Research & Consultancy Projects, Policies and Guidelines of CSIR-CBRI. Participants were then taken for a visit to R&D Laboratories, Rural Technology Park & Construction Technology Demonstration Park for showcasing them the latest technologies developed by CSIR-CBRI related to the Building Construction Sector. A total of 18 lectures were presented to the participants by various CSIR-CBRI scientists and administrative heads. At the end, participants have also given their feedback and expressed the usefulness of the programme in understanding the whole R&D environment and administrative procedure of CSIR system.
