

Event 5: Global Science Experiment (22nd September, 2022)

On 22nd September 2022, Royal Society of Chemistry London (UK) and CSIR- Central Building Research Institute jointly organized a Scientist–Student Connect Program under Jigyasa 2.0 with an aim to interact with school students for Coin Battery Experiment. Around 30 Students from Bal Vidhya Mandir Junior High School CBRI participated in this program. Students were divided into five groups and hands-on experiment was performed using Coins, NaOH, vinegar, H₂SO₄ solutions. Battery Voltage was measured for different combinations in the experiment.
