Asia Agri, Horti & Organic Expo
under Vibrant Uttarakhand 2023
Haridwar (Uttarakhand)
October 20-22, 2023

An exhibition event for *Asia Agri, Horti & Organic Expo-2023 and Asia Industry-Tech Expo* was celebrated during October 20-22, 2023 at Haridwar (Uttarakhand) with the support of the agriculture department, government of Uttarakhand. The event was inaugurated by *Hon'ble Cabinet Minister of Uttarakhand, Sh. Satpal Maharaj ji*, during his speech he praised the importance of the event for connecting the students/aspiring entrepreneurs to the start-ups scenario for igniting their mind towards technological innovations. Large scale exhibition pavilion was setup during the event for displaying the latest science and technological innovations in the country with several ministries/Departments. CSIR-CBRI has setup its stall in the Pavilion and displayed the prototype/models/products and related posters of building technologies. During the event, various dignitaries like State Ministers, Directors of several Institutions, Entrepreneurs, Technical Enthusiasts and Students/Researchers etc have visited the exhibition and were briefed about the institute's housing technologies which contribute in creating a safe & sustainable habitat. More than 1000 visitors such as Entrepreneurs, Technical Enthusiasts and Students/Researchers etc have visited the exhibition gallery.
