

## Educational Visit at CSIR-CBRI (10<sup>th</sup> January 2024)

On the 10<sup>th</sup> January 2024, 90 students, from Gokul Chand Rehti Government School, accompanied by their teachers visited the CSIR-Central Building Research Institute, Roorkee for a lab visit. The primary objective of the visit was to expose these young minds to cutting-edge research and advancements in the field of building research. The students were taken to three different laboratories within the CBRI premises. Which included the Chemistry Lab, Robotics Lab, and the Tese-phone. The scientist from CBRI demonstrated the working of various instruments present in the laboratories and delved the underlying concepts that powered these technologies. The visit was organized by Dr. P.K.S Chauhan, Shri Chandrabhan Patel, Dr. Humaira Athar, Dr. Veena Chaudhary and Miss Bhavna. The visit provided an opportunity for students to connect with the world of research and innovation. Such initiatives help to sow and nurture the seeds of scientific curiosity among students.
