

Shivalik Ganges Visit (10th February 2024)

On February 10, 2024, Shivalik Ganges Public School Roorkee hosted a school exhibition program in which Dr. P.K.S Chauhan (Sr. Pr. Scientist CSIR-CBRI & Professor AcSIR) and Ms. Gunjan Joshi (Project Associate) had the pleasure of attending the remarkable exhibition as chief guest, where students from various classes showcased their creative projects. The students displayed an impressive array of static and working models, colorful charts, and posters covering subjects like Hindi, English, Maths, Computers, and more. The event was a testament to the students' ingenuity and passion for learning. The students enthusiastically explained their models, showcasing not only their understanding of the subjects but also their ability to communicate complex ideas effectively. Both Dr. P.K.S. Chauhan and Ms. Gunjan Joshi praised the students for their creativity and dedication, emphasizing the importance of nurturing young minds in the fields of science and technology. The exhibition served as an inspiring platform for students to express their talents and foster a love for learning.
