Institutional Visit
Engineering Students from
IIMT University, Meerut (U.P.)
May 03, 2024

A one-day exposure visit was organized for the 30 Civil Engineering students (B. Tech. & Diploma) along with their faculty members of *IIMT University, Meerut* as a part of their course curriculum to understand the institute's expertise through various ongoing projects and developed technologies with respect to building construction sector.

Initially, a brief presentation of the R&D activities and facilities of the institute has been made by *Dr. Chandan S. Meena*, Sr. Scientist. Subsequently, the visitors have been taken to various R&D laboratories (*Construction Automation & Robotics Lab (CAR)*, *Advance Concrete, Steel and Composites Lab (ACSC)* & *Fire Safety Engineering Lab (FSE)*) of the institute wherein the concerned scientist/technical staff have explained the R&D facilities available with each groups of the institute. And also, they have visited the Rural Technology Park of CSIR-CBRI and witnessed the technologies showcased on building construction.

Interaction with Visitors

Visit to R&D Laboratories & Rural Technology Park
