National Technology Day-2024
May 11, 2024

National Technology Day was celebrated at **CSIR – Central Building Research Institute, Roorkee** on May 11, 2024. The event was inaugurated by the chief guest **Prof. CVR Murthy**, IIT Madras and Guest of Honor Commodore **Amit Rastogi** (Retd.), Chairman, NRDC in the presence of **Prof. R. Pradeep Kumar**, Director CSIR-CBRI & **Dr. D.P. Kanungo**, Chief Scientist & coordinator of this event. During inaugural speech, Director CSIR-CBRI has welcomed and introduced the dignitaries and thereafter emphasized on the R&D groups of CSIR-CBRI and achievements of the institute in serving the society & nation, he also praised the importance of this event for connecting the students/researchers to the start-ups scenario for igniting their mind towards technological innovations. Subsequently, Prof. Murthy chief guest of the event has highlighted the significance of CSIR-CBRI's role in nation building particularly in the field of safe housing and habitat by showcasing the building construction technologies to the country. Later, Commodore Amit Rastogi, Guest of honor has also stated the importance of CSIR-CBRI in meeting the industrial aspirations as both are complementary to each other.

On this event, more than 190 students along with their teachers and faculties from Army Public School-2, Marwadi Kanya Pathshala & Quantum University, Roorkee have visited the institute and witnessed the R&D facilities and technologies showcased in the institute for a better understanding of the latest building technologies by visiting institute's R&D Laboratories, Rural Technology Park & Construction Technology Demonstration Park & Exhibition Centre etc where concerned scientist/technical staff have explained about the specific R&D technologies of their laboratories. Visitors were also provided with the details on significant contributions made by the institute especially on Shri Ram Mandir and Rural Housing technologies which contribute in creating a safe & sustainable habitat. Subsequently, Licensees of the institute were also facilitated and encouraged to collaborate on latest developed technologies. During the event several CBRI scientists & technical staff namely Ar. S.K. Negi, Dr. Achal Mittal, Dr. S.R. Karade, Dr. Harpal Singh, Mr. Nadeem Ahmad, Dr. Pradeep Chauhan, Mr. Vineet Saini, Dr. C.S. Meena, Dr. Vina Choudhary, Ar. Naveen Nishant, Dr. Debdutta Ghosh etc were also present.
