

AcSIR at CSIR-Central Building Research Institute, Roorkee

The CBRI, Roorkee, India, has been vested with the responsibility of generating, cultivating and promoting building science and technology in the service of the country.

Since its inception in 1947, the Institute has been assisting the building construction and building material industries in finding timely, appropriate and economical solutions to the problems of building materials, health monitoring and rehabilitation of structures, disaster mitigation, fire safety, Energy efficient rural and urban housing.

Vision of CSIR-CBRI

CSIR-CBRI to work as the world-class knowledge base for providing solutions to almost all area of Building construction / Habitat planning and construction including building materials, technology, fire engineering and disaster mitigation.

Mission of CSIR-CBRI

To carry out R&D on all aspects of building and housing and assist the building industry in solving problems of planning, designing, foundation, materials and construction including disaster mitigation in all kinds of buildings.

AcSIR Programme at CSIR-CBRI

The institute offers PhD in Civil Engg. (Geotechnical/ Structural/Concrete technology/ Alternative building materials etc.), Mechanical Engg (Design/ thermal), Chemical Engg./ Chemical Science/ Physical Science

Also it offers IDDP course for Civil Engineers (B.E./ B.Tech or equivalent in Civil Engg. with a valid GATE Score)

For details about CBRI please visit www.cbri.res.in

Please refer the next page for detail admission procedure

ADMISSION NOTICE (January - 2025 Session)

AcSIR is an overarching institution encompassing 82 affiliated Research Institutes, which among others include; 38 Institutes of Council of Scientific and Industrial Research (CSIR), 28 Institutes of Indian Council of Medical Research (ICMR), 6 Institutes of Department of Science & Technology (DST).

An opportunity to pursue Ph.D degree in any Institute within Nationwide Network of AcSIR affiliated Research Institutes

AcSIR OFFERS

- **Ph.D (Science)**
 - Biological Sciences
 - Chemical Sciences
 - Physical Sciences
 - Agricultural Sciences
 - Mathematical & Information Sciences
- **Ph.D (Medical Research)**
- **Ph.D (Engineering)**
- **IDDP * (M.Tech & PhD in Engineering)**
* Integrated Dual Degree Program

- AcSIR is the largest Academic Institution for doctoral research in India having awarded 624 PhD degrees in 2023 and with more than 6500 students currently registered for Ph.D
- AcSIR provides students with access to world-class infrastructure in affiliated Research Institutes ensuring an optimal learning environment.
