**Institutional Visit
Engineering Students from
NITTR, Chandigarh
July 16, 2024**

A one-day exposure visit was organized for 40 Engineering students (M.E.) of NITTTR Chandigarh along with their faculty member as a part of their degree course to understand the institute expertise through various ongoing projects and developed technologies with respect to building construction sector.

Event coordinator Dr. Chandan Swaroop Meena, Sr. Scientist welcomed the students'/faculty members and briefed about the institutional activities & its achievements. He explained about the contributions of CSIR-CBRI in the field of affordable housing for creating a safe & sustainable habitat. He also informed about various divisions of CSIR-CBRI in a discussion held with them.

Thereafter visitors have been taken to Advance Concrete, Steel and Composites (ACSC) & Fire Safety Engineering (FSE) laboratory of the institute; where concerned scientist/technical staff have explained about the specific R&D technologies of their laboratories.

Subsequently, visitors were also taken to Rural Park & Construction Technology Demonstration Park for showcasing them the innovative housing technologies developed and implemented by CSIR-CBRI throughout the country.
