Institutional Visit

Govt. Girls Polytechnic College, Sudhowala, Dehradun

21 April, 2025

An institutional visit was organized by our institute for the students of **Govt. Girls Polytechnic College, Sudhowala, Dehradun**. A total of **44 diploma students** from Engineering and Architecture streams, accompanied by four faculty members, participated in the visit. The program was coordinated by **Er. Ashish Pippal, Senior Scientist**, who warmly welcomed the students and gave an insightful introduction about the CSIR-Central Building Research Institute, Roorkee. He explained the institute's various research groups and their ongoing R&D activities.

Following the briefing session, the students were taken to the R&D laboratories, including the Geotechnical engineering laboratory, Structural engineering laboratory, Advanced Construction Systems and Components (ACSC), Fire Safety Engineering (FSE), Rural Park, and the Demonstration Technology Park. The visit provided the students with valuable exposure to real-time research and innovations in the field of construction and building technologies.
