Sl No	Candidate Id	Roll No	Name	Question Id	Objection Type	Objection Description	Remarks
37	CBRI0000691	JST2540248	MISS KANIKA	15	other	If we multiply 2 with 2 then we get 4. If we multiply 4 with 3, we get 12. Again, if we multiply 12 with 2, we get 48. So according to this pattern 48 should be multiplied with 3. We get 144 from this. So correct answer should be option C	invalid challenge
38	CBRI0000950	JST2540376	MR ROHIT ANAND	150	other	Check it again	invalid challenge

45	CBRI0000152	JST2540026	MISS HIMANSHI	159	other	The sentence "He enjoyed playing football" is grammatically correct. The verb "enjoy" is followed by a gerund (verb+ing) form, which is the correct structure. Therefore, this (c) option should be considered correct	invalid challenge
46	CBRI0000950	JST2540376	MR ROHIT ANAND	162	other	Check it again	Correct Answer is B. Accordingly marks will be given
47	CBRI0000407	JST2540461	MR KUNAL SONI	162	other	Pls check again	Correct Answer is B. Accordingly marks will be given
48	CBRI0000003	JST2540526	MR YASH KARWASRA	162	other	"She said me the truth," the verb "said" is used incorrectly. The correct verb should be "told." That's why Option B (said) is incorrect and should be replaced. As sentence "She told me the truth" is correct and it replaced the word 'said' so option b is correct. Answer key says Option C (me) is the error, it's actually the verb "said" that causes the grammatical mistake. The word "me" would be fine if the correct verb ("told") were used. So, Option B is correct based on standard grammar rules.	Correct Answer is B. Accordingly marks will be given
49	CBRI0000732	JST2540304	MR YUVRAJ SINGH	162	other	Sir according to the question we have to find the error not remove it. She said me the truth. The error is said as said should be replaced with told. So according to me the answer is B	Correct Answer is B. Accordingly marks will be given
50	CBRI0000830	JST2540292	MR SUGANDH VISHNOI	162	other	it should be rechecked. Option no. B will be the right answer.	Correct Answer is B. Accordingly marks will be given

52	CBRI0000588	JST2540129	MR HEMANT KUMAR	162	other	The correct sentence is "She told me the truth. Accordingly, the correct answer is Option B.	Correct Answer is B. Accordingly marks will be given
53	CBRI0000933	JST2540378	MR SACHIN	162	other	<input checked="" type="checkbox"/> "She told me the truth." Explanation: "Say" vs. "Tell" "Say" does not take a direct object (the person being spoken to). <input checked="" type="checkbox"/> Incorrect: "She said me the truth." <input checked="" type="checkbox"/> Correct: "She said the truth." (if no listener is specified). "Tell" requires a direct object (the listener). <input checked="" type="checkbox"/> Correct: "She told me the truth." Correct Structures: "Say": "She said [something]." (e.g., "She said hello.") "Tell": "She told [someone]"	Correct Answer is B. Accordingly marks will be given
54	CBRI0000755	JST2540278	MISS RITA BISHT	162	other	She told me the truth or she said to me the truth both are the right structure. In the question no 162 'me' is correct said should be changed into told or said is converted to 'said to' but the question states that we have to find error in this case "said" should be the error... This question is creating ambiguity whether "said" Should be converted into "told" Or whether we have to insert "to" after "said".	Correct Answer is B. Accordingly marks will be given
55	CBRI0000245	JST2540086	MR VANSHAJ NARULA	162	The question is ambiguous or doesn't make sense.		Correct Answer is B. Accordingly marks will be given
56	CBRI0000691	JST2540248	MISS KANIKA	162	other	The sentence should be in past tense. So it should be like this, She told me the truth. Said should be written told. So the correct answer should be option B	Correct Answer is B. Accordingly marks will be given
